

REMANUFACTURED!

GOOD NEWS!

We have completely revised our remanufacturing program for GMK parts. These carefully picked parts in the program include transmissions, gear boxes, hydraulic cylinders, electronic units and other, high value components, all remanufactured by the original manufacturers.

The advantages of this attractive offer are compelling:

- > Fast availability
- > Priced at 75 % of new
- > 30 % core return credit for old part
- > 12 months' warranty for remanufactured parts
