

Financing **That Extends** the Life of your Crane

Manitowoc cranes are built to last, not just for one lifetime. With the EnCORE™ Program, you can restore your crane components to like-new condition and extend its service life at a fraction of the cost of buying new.

Manitowoc Finance makes it easy to invest in this second life with flexible, tailored financing options designed specifically for EnCORE Overhauls and Premium Rebuilds.

Why Rebuild with Maniowoc Finance

▶ ZERO UPFRONT COSTS

Start your rebuild without the burden of an initial cash outlay.

▶ DEFERRED PAYMENTS

No payments required until your crane is rebuilt and ready to work.

▶ FLEXIBLE FINANCING TERMS

Finance your investment over time with low monthly payments.

▶ EASY APPLICATION PROCESS

Streamlined process with minimal paperwork and quick credit decisions.

How to Get Started

1

GET PRE-APPROVED

Submit your application, finalize your contract, and lock in your financing terms.

2

REBUILD BEGINS

As your crane enters the EnCORE Program, no payments are due during this phase, and interest only accrues while the rebuild is underway.

3

BACK TO WORK

Once your crane is fully rebuilt and ready to perform, your monthly payments begin.

Ready to Give Your Crane a Second Life?

Contact your dealer to get more information on financing your rebuild.

**Subject to credit review and approval and other terms and conditions. Minimum amount financed of \$250,000. For U.S. customers only. All financing is in the lender's sole discretion.*
